USAF ACADEMY, COLORADO 80840-6214

INTRODUCTION

This is the 95th issue of the US Air Force Academy Libraries' Special Bibliographic Series. Created by Ms. Frances K. Scott, Political Sciences Bibliographer and Reference Librarian, this issue of the Series was developed to support the 42nd annual Academy Assembly to be held 15 – 18 February 2000. The Assembly, sponsored by the Department of Political Science, brings more than 150 delegates from more than 100 colleges and universities to discuss and to debate a contemporary issue. This year's theme is:

Unity and Diversity in America: Tradition and Change in the 20th Century.

Most of the books in this very selective bibliography were published in the last ten years; most of the journal articles, report literature, and government documents in the last five. The majority of these items are available in the Academy's Academic Library.

To this year's Assembly delegates, we welcome you to your United States Air Force Academy. We hope that during your time on base you will have time to visit the Academic Library, located on the north end of Fairchild Hall, floors three through six, and entered from the third floor (Terrazzo level), or the first floor, east side elevator entrance. The library is open Mondays – Thursdays 0700 – 2300; Fridays 0700 – 1700; Saturdays 0900 – 1700; and Sundays 1400 – 2300.

Libraries wishing to receive copies of the Academy's Special Bibliography Series may request copies by writing:
